It's almost time for summer—and more exposed skin for your clients. That means many of them will be coming to you to help them prep to look their best for the beach, pool, and fun in the sun. The Fresh Finds Beauty Box is here to help. From numbing cream to make hair removal less painful to a mask that hydrates skin to products that revitalize the eyes, and more, we are here to help you boost your seasonal sales by helping your clients look their best this spring and summer. To further help your business efforts, don't forget to take advantage of the discount codes for savings on bulk orders of all of the offerings inside. Stock your backbar and retail shelves with these items, and watch your summer sales sizzle.

3. Eye Revitalizer from Rhonda Allison Cosmeceuticals

Eye Revitalizer is a silky, cooling cream with a “freezing peptide” that instantly reinvigorates the delicate region around the eyes for a dewy, youthful appearance.

Suggested Retail Price: \$50 for 30ml
