

## AESTHETIC ESSENTIALS

Aware Bio-Targeted Skin **Healing Power's Sleep-Sk** contains calming ingredients that nourish, hydrate, heal, with anti-inflammatory moisturizing factors. It is great for post-resurfacing treatments, sensitive skin, redness, and more. [dermaware.com](http://dermaware.com)

Eminence Organic Skin Care's **Linden Calendula Treatment** can be used as a mask or night treatment. The extracts derived from fresh linden and calendula plants deeply nourish and refresh the skin's appearance, while fine herbal oils restore the look of youthfulness and elasticity. ## Sensitive Skin

Rhonda Allison Cosmeceuticals' **Beta Green Tea Cleanser** blends heart of green tea and salicylic acid to minimize surface bacteria, deeply cleanse the pores, and provide potent healing elements. It works to clear problematic skin gently and therapeutically by reducing surface oils and delivering a deep-pore cleanse using the power of all-natural green tea.
