Comprising of green tea, antioxidants, salicylic acid, shea butter, and cucumber extract, the formula neutralizes free radicals, reduces irritation, and serves as an anti-inflammatory. rhondaallison.com

GLYMED PLUS

Oxygen Skin Regenerative Peel by GlyMed Plus is a one of a kind oxygenating peel formulation that releases bio-oxygen power aiding inner-cellular diffusion and the benefits of lactic acid for cell regeneration revealing baby smooth, youthful looking skin. Oxygen Skin Regenerating Peel breathes back a youthful life to hypoxic, dull, tired, damaged skin cells. Rich in arabinogalactans derived from botanical plants, skin will brighten, firm, tone, and immediately glow with health. glymedplus.com

BION SKINCARE

BiON Skincare's **Oil Free Moisturizing Gel** hydrates without oils and restores skin's natural moisture balance. A combination of amino acids, vitamins, and antioxidants protects skin from free radical damage, adds proteins that build collagen, and elastin that increases water content in the top layers of the skin. This non-comedogenic moisturizer is recommended for all skin types. bionresearch.com
