Check out a few latest and greatest products from industry favorites!

### RHONDA ALLISON COSMECEUTICALS

**Growth Factor Gel** by Rhonda Allison Cosmeceuticals is a daily moisturizer and protector, as it supports oily, acne-prone, and traumatized skin. The light texture gel absorbs quickly and calms inflamed, irritated skin while reducing damage from free radicals. It contains an epidermal growth factor, an oligopeptide that promotes wound healing, aloe barbadensis leaf to soothe and heal, and superoxide dismutase for antioxidant and skin-rebuilding benefits.
