Urban Undo Cleanser uses bentonite and kaolin clay to bind to, vacuum up and cleanse away cellular toxins. This cleanser reduces the damage of urban dust to fight against environmental stressors on the skin.

- 5. **Aromatic Moor Mud**
Pevonia

www.pevonia.com

Aromatic Moor Mud uses black magma and natural moor to detoxify, remineralize, repair, heal and exfoliate the skin on the body, while also delivering anti-inflammatory benefits and softening the skin.
