The Choice

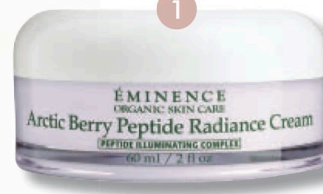

## PRODUCT ROUNDUP [Products, Equipment & Services]

# Mega Moisture

Help your clients fight winter dryness with these hydrating products.

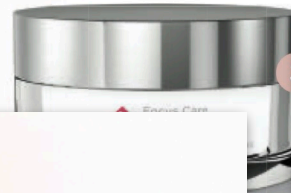

1. **Arctic Berry Radiance Cream**  
Eminence Organic Skin Care  
<https://eminenceorganics.com>

Transform the appearance of your skin with this all-powerful daily moisturizer that features an exclusive Peptide Illuminating Complex. Reveal your radiance naturally and discover smooth, even and luminous skin.

2. **Blushed Wine Gel**  
Rhonda Allison  
<https://rhondaallison.com>

The Blushed Wine Gel is an all-natural nutrient-rich daytime moisturizer that uses the power of grapes (resveratrol and grape seed oil, specifically) to tone, firm and replenish the skin as well as deliver a potent dose of antioxidant support. It absorbs quickly and has a cooling effect on the skin.
