DMK formulates with hyaluronic acid in its Hydrating Masque, where the ingredient restores hydration, prevents dehydration and improves wrinkles. The company notes that hyaluronic acid plumps the skin by restoring the interstitial fluid of the epidermis.

A serum is also the product form with hyaluronic acid for Skin Script with its The Ageless Skin Hydrating Serum. The product is said to improve

Although we often think of our faces when it comes to hyaluronic acid, don't forget about the feet. Baby Foot formulates with hyaluronic acid, collagen and 14 extracts to soften and smooth dry, cracked feet in its Moisturizing Foot Mask.

Conclusions

It appears that once again, the forces of nature are the ultimate engineer when it comes to biological
