PRODUCT ROUNDUP [Products, Equipment & Services]

Wellness Wonders

Incorporate these wellness products into your treatments to make your clients feel extra relaxed and ready to conquer the world.

1. **Nutrisense Wellness Cream**
Bioline-Jato

<https://bioline-jato>

Nutrisense Wellness Cream has a melting, rich texture that uses rice extract, shea butter and smithsonite extract to provide the skin with hydration and nourishment while helping to reduce the signs of aging.

2. **Massage Oil**
Rhonda Allison

<https://rhondaallison.com>

Massage Oil uses omega-6 fatty acids and grape seed, cinnamon cassia leaf, clove leaf and orange oil to provide aromatic benefits while also infusing the skin with nutrients and reducing inflammation.

3. **Biogen C Crème**
Dannè Montague-King

<https://dannemking.com>

Biogen C Crème is designed to boost skin that is tired and stressed for a refreshed and youthful complexion. This crème uses eucalyptus leaf extracts to provide a sense of wellness and wound healing while stimulating the immune system.

2. **Massage Oil**
Rhonda Allison

<https://rhondaallison.com>

Massage Oil uses omega-6 fatty acids and grape seed, cinnamon cassia leaf, clove leaf and orange oil to provide aromatic benefits while also infusing the skin with nutrients and reducing inflammation.
