Perfection Clay uses sulfur and clay to tighten, tone and heal the skin while absorbing excess oil, drawing out impurities and providing antibacterial benefits.

in-one mask and spot treatment using purifying clay and basil oil to treat active acne while preventing future breakouts from occurring.

7. **Amino Mask**
Bioelements
www.bioelements.com/pros

Amino Mask works to gently aid in treating breakouts while also allowing the skin to heal with a sulfur formula to penetrate pores, remove excess oils, exfoliate and reduce pimples.
